"One, two, buckle your Shoe"

... and it's called "applied Geometry"

He really does come down the chimney!

"Do you really think it's too long?"

"So maybe everybody doesn't smile when they say Cheese!"

Forty-eight tonsil tongs, coming up!

Alarm clock didn't go off this morning!

So maybe I don't want detergent hands!

Don't just stand there, folks, do something!

Memories Are Made of This . . .

"I've been campaigning for President"

Her hairdresser has a great sense of humor!

So this is what they do at summer camp?!!

. . . and this . . .

Dear Abby: My boy friend . . .

"Boy, your eyes look funny through a ballon!"

We'll find out what's wrong with you--even if it takes an autopsy.

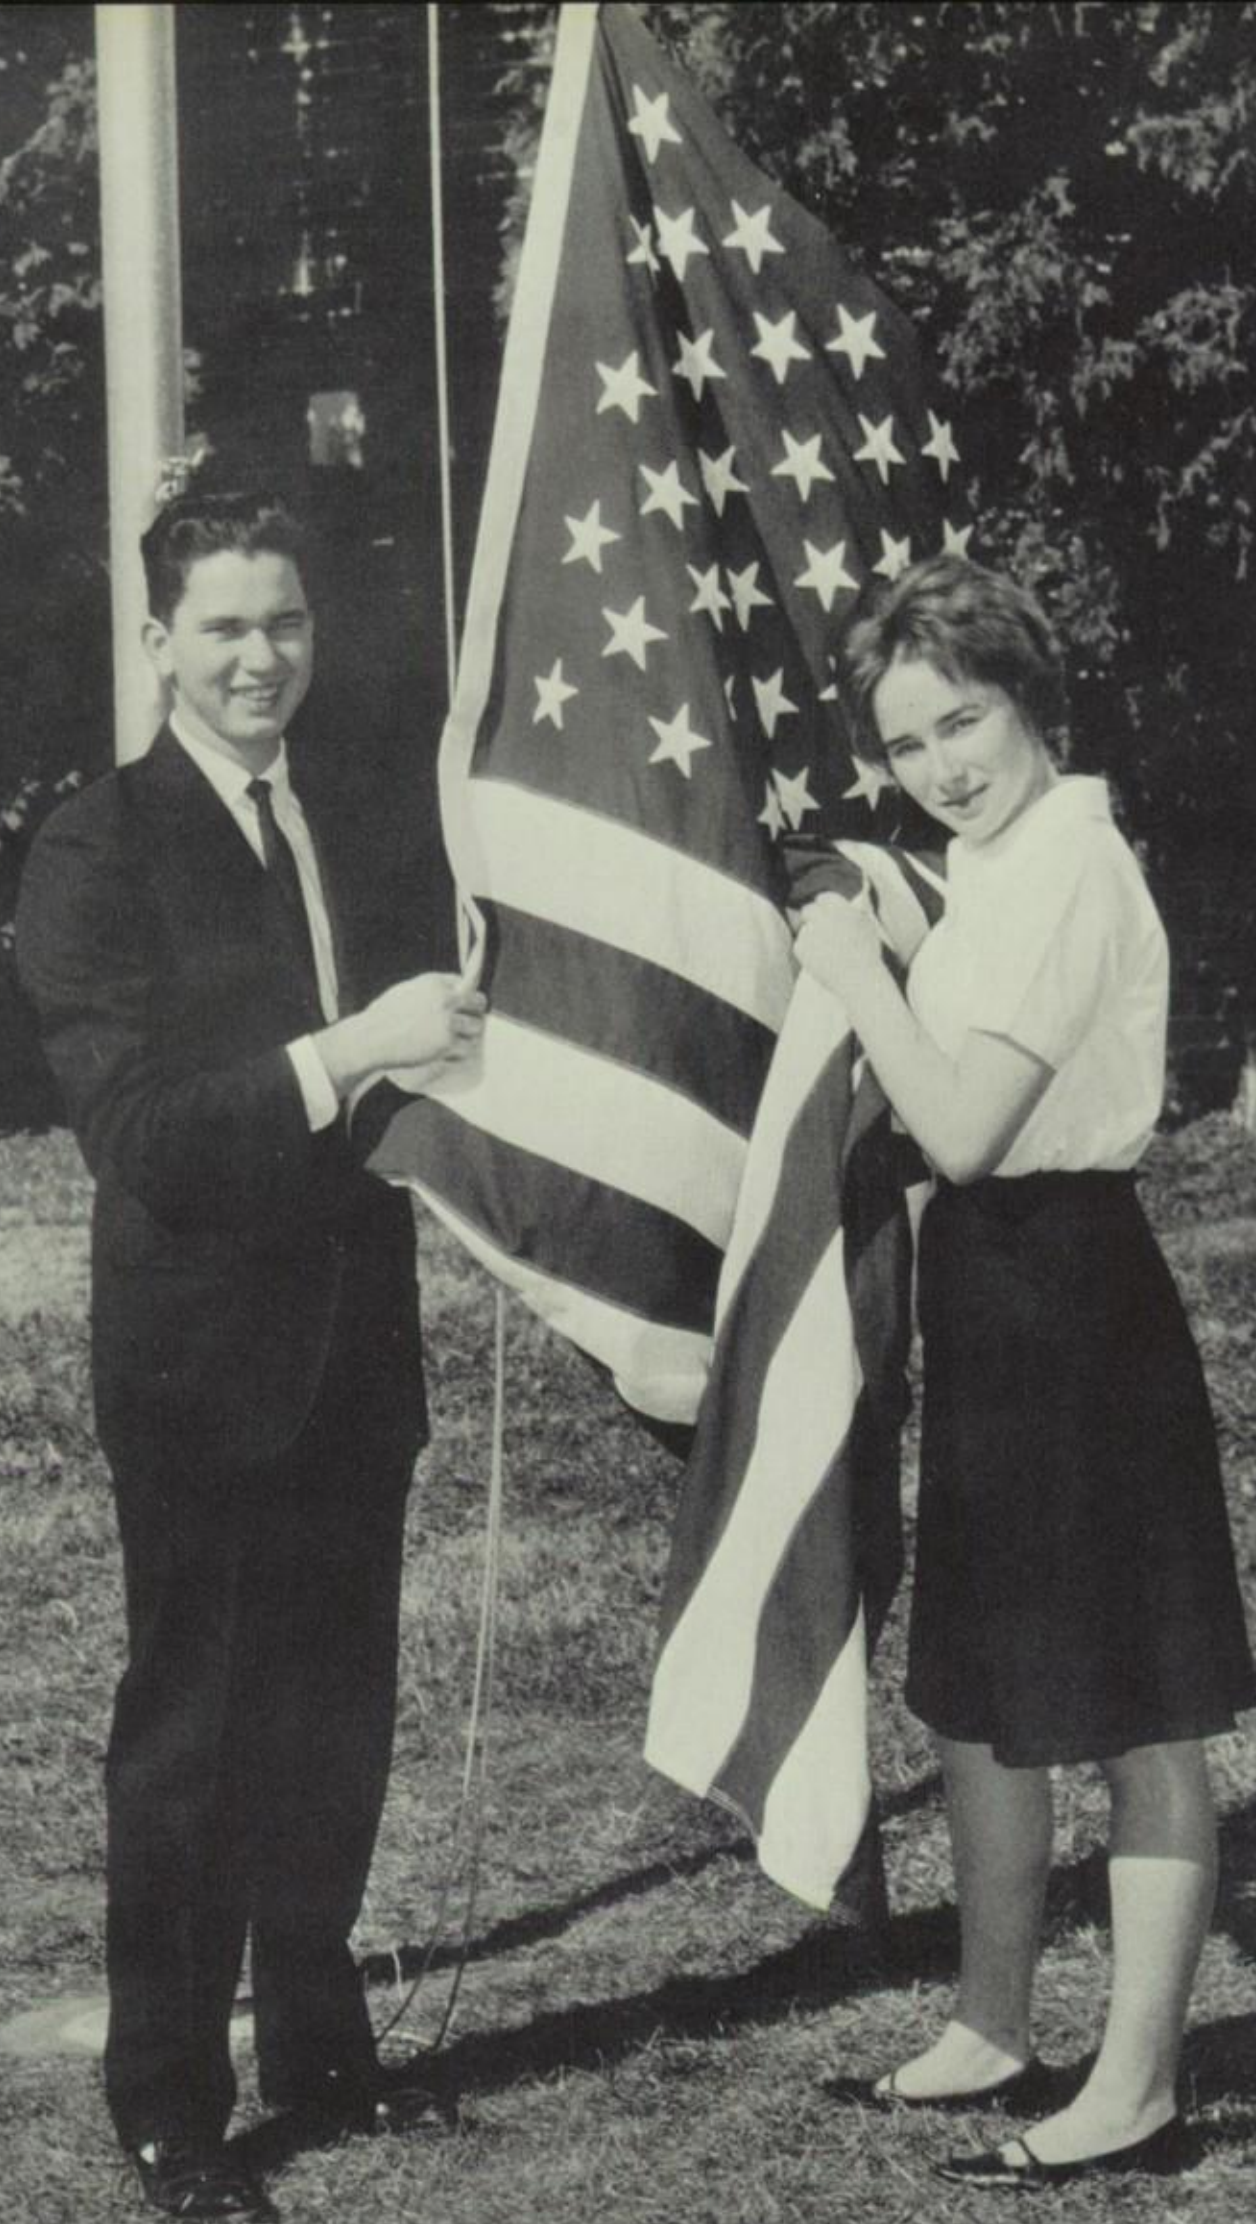

Where's "Mightie Mouse in Action?"

Me! Why, I'd be 4-F in the Sal-vation Army!

" . . . And her hair looked like a broom in an all night restaurant!"

Thanks For The Memories

An Average Capitalist Discusses **FREE ENTERPRISE**

**"I'VE THE RIGHT TO PLAN MY OWN LIFE,
TO EARN A LIVING AS I SEE FIT."**

" . . . I'm limited, of course, by my ability and determination. But, overall, I call the shots. I'll be paid according to what I contribute, too. If I'm valuable, I'll earn more; if lazy, less. But there's always the thought of working up. That's because I live in a Free Enterprise economy where I have freedom of choice and opportunity."

Our management employees and stockholders are united with this student under the Free Enterprise flag. We chose this business because we like it. But like other businesses, we must give the best possible service at the lowest possible cost.
